

Dear Friends

Greetings in the precious Name of our Lord and Saviour, Jesus Christ.

"Declare His glory among the nations, His wonders among all peoples." 1 Chronicles 16:24

Making Disciples of Nations

Since the completion of our **Great Commission Course** and my Mission to America, we organised the March for Life to Parliament on the National Day of Repentance and I travelled to the Transvaal to conduct a **Great**

Commission Seminar

. All departments at Frontline Fellowship have been chasing deadlines to complete new books, tracts, manuals, audio visual materials and DVDs in time for our various Overland Mission teams. We now have Mission teams in Namibia and Lesotho and I will be flying to join our team in Zambia tomorrow.

New Translation

By God's grace we were able to complete and receive back from the printer in time for our Mission teams heading out throughout South Africa and Namibia: [**Die Tien Gebooië - God se Volmaakte Wet van Vryheid**](#)

“ a translation of our very popular

[**Ten Commandments God's Law of Liberty**](#)

book into Afrikaans. These have been much anticipated and are needed for Christian schools and home educators in particular.
